Under Approval
(State = 420)

Obsolete-Rejected
(State = 441)

Obsolete-Failed
(State = 442)

Obsolete-Closed
(State = 443)

Released
(State = 430)
ALL related Safety Remarks MUST be either "Fermée Résolue" or "Fermée Non Résolue" in order to be able to close the Inspection Report.

**Hint 1:** Use the Caddie to change the status of several remarks at the same time.

**Hint 2:** Within the Caddie, use the "Advanced" search to paste a list of documents in the "Document Id" field.
**SC-GS-REPORTS** (proposal, not yet implemented)
